One team. Many solutions.

From right-now delivery to full mailroom services, we have the experience to solve your logistics problems.

Medical Specimen Delivery

Our certified drivers are trained in the special handling needed to transport a variety of test samples properly, whether via a regularly scheduled route or one-off, urgent delivery.

Local Chicagoland

On-Demand Messenger

From an envelope to a truck load in a moment's notice—24/7/365. Our team of couriers can make a bike delivery in minutes, or van load in just hours.

Dedicated Routing

Predictable scheduled routes allow you to operate effectively and efficiently. Your materials are the only item on the route, meeting your pickup and delivery times.

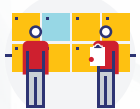

Intercept & Dock Management

Eliminate transient traffic and improve operational flow. Our uniformed staff offers an additional level of security and reduces wear and tear on lobbies and elevators.

Customized Distribution

This specialized service is designed for organizations that need to provide dedicated, branded, quality assured distribution of goods.

Warehousing & Fulfillment

Lower your footprint with offsite storage while ensuring your inventory is secure and accessible. We manage and maintain your inventory from the moment your goods arrive at our facility.

Nationwide Expedited

Nationwide Next Flight Out

When it's necessary to move your shipment a long distance in a short time, we can get it anywhere in the United States within a few hours.

Same-Day and Rush Trucking

For large shipments going long distances, our trucking services provide fast, economical delivery of whatever you need to get from Point A to Point B.

Hot Shot Trucking & Courier

Long-distance Hot Shot service, most often transporting LTL (Less than a Load) freight. Dedicated, expedited vehicle service transporting a variety of materials for all industries.

About U.S. Messenger & Logistics

Locally owned and operated, U.S. Messenger is a leading provider of customer service, on-time performance and reasonably priced delivery and logistics services in Chicagoland and nationwide. We have been delivering to our customers with integrity, accountability and consistency since 1999. Our managers and supervisors are among the most experienced in the industry. Together, they have several hundred years of leadership skills in the business, working for the biggest companies in the Midwest.

Why choose us?

Our experienced, trained, uniformed and vetted courier staff.

By using trusted teams of employees, contractors and agents, we have absolute control of your shipments.

All personnel are equipped with the latest technology.

Reliable voice communication, push-to-talk technology, real-time GPS location, and immediate proof of delivery via real-time signature capture.

Reliable equipment from bicycles to trucks.

We ensure the right vehicle and equipment is available and well-maintained to complete your delivery.

Protection is part of our service.

We have proper licensing and industry-leading insurance coverage on all lines of business.

Trained backup couriers.

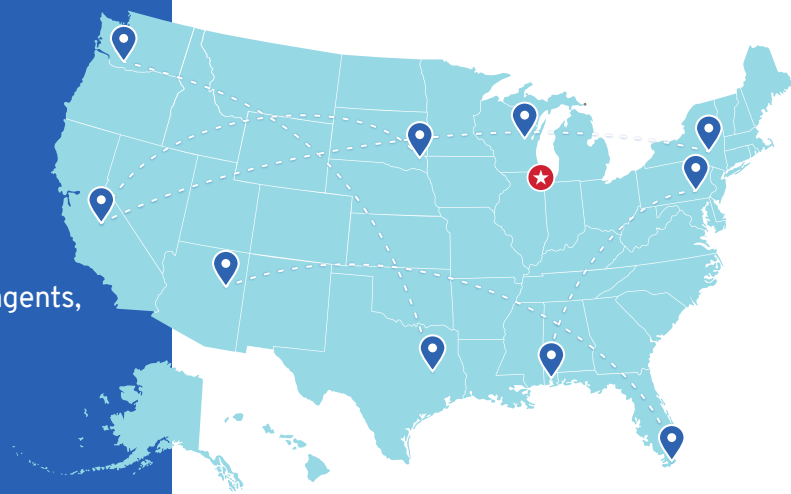

To ensure seamless coverage, our team employs full-time backup couriers who have been cross-trained to provide qualified cross-market services.

Customized billing.

We can include EDI Templates, PDF via email, ACH collection, Operational Interconnects and other solutions to make your reconciliation less time consuming.

Performance reports.

We collect and report on KPI's, audit reporting, accounting, POD, comparison, and even customized reports.
